Kenzo Estate Sauvignon Blanc asatsuyu 2021

Once again, this rare gem is one of America's most elegant and refreshing collector-level Sauvignon Blanc; a guaranteed thriller! The luxurious 2021 Asatsuyu is remarkably fragrant from the alluring bouquet (fresh gardenias and honeysuckle) straight on through to the scintillating finish. A plethora of energetic grapefruit, Asian pear, lemongrass and white peach on the palate. What really sets this apart is how elegant and balanced it is, in contrast to many modern overly-oaked new world Sauvignon Blancs. This is an absolute pleasure to taste now and will be just as mouth-watering through 2026.
